COMPUTER SCIENCE AND ENGINEERING

51/4 Natchi Street, Virudhunagar | rakesh.m212535@gmail.com | +91 8248403178

SUMMARY

Enthusiastic Computer Science Engineering student with a strong foundation in HTML, CSS, and JavaScript, passionate about frontend web development and building responsive, user-friendly websites. Eager to apply technical skills in real-world projects, gain industry experience, and contribute effectively to innovative development teams.

EXPERIENCE

Internship, DCE Technology

Jan 2025

- Completed a 15-day Frontend Development internship at DCE Technology, Virudhunagar, where I designed and developed a Login and Signup page.
- Gained practical exposure to frontend development concepts and improved hands-on skills in building responsive web pages using HTML and CSS.
- Developed a better understanding of UI design principles, form validation, and user-friendly interface development through practical implementation.

PROJECTS

E-Commerce Platform for Gadgets

July 2026

- Developed a full-stack E-Commerce Platform for Gadgets using the MERN Stack (MongoDB, Express.js, React.js, and Node.js) with separate User and Admin modules.
- Implemented key features including user authentication, product browsing, cart management, order processing, product management, and an Admin Dashboard for managing products, users, and orders.

Secure Online Payment System using Razorpay Payment Gateway

March 2026

- Integrated a secure online payment system using Razorpay Payment Gateway API in Test Mode for the MERN Stack E-Commerce platform.
- Implemented the complete payment workflow, including order creation, payment processing, transaction verification, and payment status handling between the React frontend and Node.js/Express backend.

College Complaint Portal

January 2026

- Developed a full-stack College Complaint Portal with separate Student and Admin modules using HTML, CSS, JavaScript, Node.js, Express.js, and MySQL.
- Implemented secure complaint submission management, an admin dashboard for tracking and updating complaint statuses, and a responsive user interface for both desktop and mobiles.

EDUCATION

Bachelor of Engineering

2023 - 2027

Department of Computer Science and Engineering,
Kamaraj College of Engineering and Technology, Virudhunagar.

SKILLS & TOOLS

- | | | | |
|--------------|-------------|-----------|-----------|
| • HTML | • C | • MySQL | • Render |
| • CSS | • Bootstrap | • MongoDB | • Vercel |
| • Javascript | • React.js | • GitHub | • VS Code |
